

Cedars Estate Parking permit conditions

(Updated September 2018)

The Cedars Estate operates a Parking enforcement scheme, whose method of enforcement is the issuing of Parking Charge Notices (PCN).

Generally, permits will only be issued to the tenant or leaseholder. However, if the tenant or leaseholder is unable to collect the permit due to unforeseen circumstances a representative may collect the permit on their behalf. The representative must provide a letter of consent from the tenant or leaseholder giving them permission to collect the permit. The representative must provide proof of their identity.

Lambeth Council Tenants and Resident Leaseholders are eligible for one visitors permit and one visitors permit free of charge providing they meet the criteria listed below.

Non-Resident Leaseholders will not be eligible for a Residents permit and neither will any of their sub-let Tenants. They will only be eligible for a visitors permit providing they meet the criteria below.

Permits will **NOT** be issued to any Resident who has Rent/Service Charge, Shed or Garage Arrears. Those in arrears that require a parking permit will be required to clear their arrears in FULL and pay in ADVANCE.

Resident permits

Residents will be issued with a resident's permit if they meet the terms and conditions and **all four** of the following criteria:

1. they are named on the tenancy or lease agreement
2. they live in the property
3. they have a car registered at the property
4. they can provide the correct documents as listed below

Documents required for issue of permits:

1. Proof of residence – one of the following:

- Tenancy agreement
- Leasehold agreement with name & property address shown
- Rent swipe card
- Driving licence
- The most recent Household bill with tenant/leaseholders name and address

2. Vehicle details – ALL of the following:

- Vehicle registration document or purchase receipt and new keepers supplement. (this must show the Tenants/leaseholders address, we are unable to accept any documents with any other address)
- Current insurance certificate or cover note (MUST be in date)

- Valid Vehicle Tax. From 1 October 2014, the paper tax disc will no longer need to be displayed on a vehicle. However CETRA will still require proof that the vehicle has been taxed by way of an email confirmation or a receipt.

We will not be able to issue a permit if the items listed above are not provided and there will be no exceptions to this rule.

Visitor permits

Residents will be issued with a visitor's permit if they meet the terms and conditions and can provide the required documents.

Documents required for issue of permits:

Proof of residence – one of the following:

- Tenancy agreement
- Leasehold agreement with name & property address shown
- Rent swipe card
- Driving licence
- The most recent household bill with tenant/leaseholders name and address

Previous Visitor Permits

Only **one** visitor parking permit will be issued at any one time. If renewal of a Visitor Permit will result in overlapping dates, the previous one must be returned to the office before the new one will be issued. Otherwise, CETRA will contact its parking operative and invalidate one of the permits and any vehicle seen to be using it will be issued with a Parking Charge Notice (PCN).

Sub-Let Tenants

Residents of the Cedars Estate who are renting privately from a landlord are only eligible for **ONE** visitors permit free of charge. In order to apply for a visitors permit they must meet the terms and conditions and can provide the required documents which are as follows;

- A copy of the most recent Tenancy Agreement
- Permission from the Leaseholder/Managing Agent (this can be by way of email or letter, we cannot accept verbal permission)
- The most recent household bill with tenant/leaseholders name and address

The Visitors permit will be issued until the expiry of the Tenancy Agreement for a period of 1 year (whichever comes first). The above documentation **MUST** be provided on each occasion a permit is applied for.

Company vehicles

TMO residents will be issued with a resident's permit for a company vehicle if they are named on the tenancy agreement, provided that they can produce documentary evidence as shown below. Company vehicles will not qualify for a permit if there has already been a Resident Permit issued for that property.

Documents required for issue of permits:

1. **Proof of residence – one of the following:**

- Tenancy agreement
 - Leasehold agreement with name & property address shown
 - Rent book
 - Rent swipe card
 - Driving licence
 - The most recent household bill with tenant/leaseholders name and address
2. A letter on headed paper from the company confirming that the vehicle is allocated to the person.
3. Current insurance certificate or cover note.

Disabled badge holders

Disabled badge holders displaying a valid blue badge (formerly orange badge) can park on the estate for a maximum of three hours, but they must display their time clock. After the expiry of the time clock a valid parking permit must be displayed. If any obstruction is caused, the vehicle will be issued with a Parking Control Notice (PCN) and the fine will have to be paid.

Disabled badge holders cannot park in cross hatch areas, on the pavement or in any way that causes an obstruction. Any vehicle parked in breach of these conditions will be ticketed.

Scheme operation times

The Parking enforcement scheme will be in operation during the following times:

- Monday to Friday 7AM – 7PM
- Saturday 8AM – 12 noon

Residents must not park on cross hatch areas, pavements, outside bin chambers or gates at any times. Parking within blocks is also strictly prohibited.

Moped/Motorcycle Owners

Moped/Motorcycle owners do not need a permit for their vehicle. However, owners will be required to park their moped/motorcycle in accordance with these parking terms and conditions. Mopeds/motorcycles can only be parked within the 4 slip roads across the Estate, inside or in front of a Garage providing that the Garage is rented by the owner of the moped/motorcycle. Failure to adhere to these regulations will result in the offending moped/motorcycle being issued with a Parking Charge Notice (PCN).

The tenant/leaseholder or freeholder shall not do or permit to be done in connection with the use of the parking permit anything which, in the opinion of the Cedars Tenant Management Organisation, may be or become a nuisance or annoyance to or in any way interfere with the quiet or comfort of the tenants on Cedar Estates or of any other person.

Every appeal is assessed on an individual basis by a dedicated department to ensure a quick response, within 14 to 28 days. Furthermore, if the customer is not

satisfied with the response issued by PPS Ltd, they then have the opportunity to appeal Parking on Private Land Appeal (POPLA) administered by Ombudsman Service Limited.

Common reasons why appeals are unlikely to be unsuccessful:

- Your permit fell down, was blown off the dashboard/ on the seat, etc.
- Your permit was not displayed clearly, face up, on your vehicle's dashboard
- You forgot to display your permit
- You only stopped for a few minutes
- You were only a few minutes overdue

APPEAL REJECTED?

If your appeal has been rejected, you have 2 options:

1. Pay the Parking Charge Notice. If we received your appeal within 14 days of the contravention you will be eligible for the discounted fee of £60.
2. You can make an appeal to POPLA – the Independent Appeal Service by completing appeal form online on <http://www.popla.co.uk>

Please, note that if you wish to appeal to POPLA, you will lose right to pay the charge at the discounted rate of £60.00, and should POPLA's decision not go in your favour you will be required to pay the full amount of £100.00.

POPLA

POPLA will carry out an independent assessment and base their decision on evidence provided by both the motorist and the parking operator. They can only consider the lawfulness of a Charge and cannot consider mitigating circumstances.

I confirm that I accept the terms & conditions for issue and use of the permit/s.
